Good afternoon Stacy,

EPA Region 6 is hosting an Environmental Justice Forum on June 12 -13, 2018 at the Crown Plaza in downtown Dallas, Texas. The goal of the Forum is to enlighten communities on successful collaborations between state and local governments, and community advocacy groups.

We are inviting you to speak at the Forum about Ft. Worth's drinking water initiative with an emphasis on lead. Your presentation would take place on June 13 between 10:30 am and 12:00 noon.

Please let me know by Tuesday, May 8, if you can participate or not.

Attached is a flyer, and draft program. Below is the registration link.
